Dear Kordell,

Well you smacked it out of the park! The comments were great. Kordell kept the entire audience engaged and left us wanting to hear more!

- “Well worth the price of the conference. I am excited to implement some of Kordell’s methods.”
- “Talk about out-of-the-box original ideas. Kordell’s creative and easy to implement ideas for growth were super.”

On a scale of 1-10, you had a 8.4 and 8.6 for the breakout and keynote sessions, respectively. I would say our members were well pleased!!

Thank you again and hope to see you around!
