Comments: What was the highlight of this event? How could Wire-Net improve this event?

- This was an excellent event. Very motivating and engaging. His personal experiences related to the topic of the presentation made it very real and relevant.
- The speaker was the highlight.
- Honestly, I loved hearing Kordell and his talk really inspired me to think about the "experience" my company is providing. We've always known that our success is about more than just providing delicious food, and great customer support, but now we have to augment that with another layer of excellence to take it to the next level. Thanks again for another great seminar!
- psychology - body language observations. "Charisma" as it relates to overall business entities.
- Kordell was very engaging and really drilled home the message.
- Truly enjoyed this speaker. He kept the audience engaged throughout the entire time.
- I enjoyed how engaging Mr. Kordell Norton was with the audience. He was an excellent speaker and had a wonderful ability to implement his life experiences into his presentation.
- the highlight was the speaker himself as he kept us engaged and was not boring. The two hours went by very fast
- It was very good, I'd love to hear more on this topic from Mr. Norton
