To Whom It May Concern –

I wanted to take a moment to introduce you to a great speaker that we hosted at the OHIMA Annual Meeting in March. **Kordell Norton, CSP** was our keynote speaker on the second day of our conference and everyone loved his presentations. His keynote presentation was entitled *Charismatic Leadership* and he also did a breakout session for us on *Personal Charisma*. Both presentations went fabulously with our leadership theme for the conference.

Kordell was a super enthusiastic and received excellent evaluation scores and comments from our attendees. Here are just a few of the many positive comments we received:
