Kordell,

Thank you for everything! I can't thank you enough for everything you did last week. Your program with our chapter leaders on how to grow membership was a homerun! Your breakout seminar, another homerun! And then for you to follow up with a roundtable that got more super reviews . . . awesome!

There is a reason that we keep asking you back and giving you greater visibility. You bring positive creative and energetic messages, presence and results to our members.

Thank you again.

Sincerely,
