

Email from Maggie Kohne,

Kordell,

I got feedback from ACEC and thought I would share that with you.

Dear Maggie

Thank you for handling the arrangements to have Kordell Norton present to our state executive directors group. Kordell was superb – not only did he demonstrate that he was truly knowledgeable about membership recruitment, he conveyed his passion and enthusiasm for the subject to the audience. He was extremely well-received and appreciated by the attendees.

Thanks again,

Mary Ann Emely, CAE  
American Council of Engineering Companies

Kordell . . . . Many thanks! Great speaking with you :)
