Dear Kordell,

On behalf of the Stow-Munroe Falls Chamber of Commerce, we want to thank you for speaking to our Chamber members at the May Luncheon. We appreciate your talking points and demonstrations on "Business Charisma!" Your topic was enlightening and the information you shared with our businesses was very valuable.

We hope you will consider coming back in the future to speak to our members! It was great seeing you again we send our best wishes for your continued success.

Please call us if we can ever be of service.

Sincerely,
